What's the Action	Beginning of a game between 3 players. Michael is the youngest, so he goes first.	Michael starts the STAC by stacking half (rounding up) of his large cubes.	Amy puts all of her small cubes on the STAC.	Tom takes no action.	Michael removes one cube from the top of the STAC.	Amy puts all of her medium cubes on the STAC.	Tom topples the STAC while trying to remove the cube at the top of the STAC.	Michael starts a new STAC by stacking half of his small cubes.	Amy puts half of her large cubes on the STAC.	Tom puts all of his medium cubes on the STAC.	Michael puts all of his small cubes on the STAC.	Amy puts half of her large cubes (one cube) on the STAC and <i>wins the game!</i>										
What's in the STAC
